Hôpital Paris Saint-Joseph

Dear friends and colleagues,

True to its tradition of teaching and sharing expertise, the Medical and Surgical Proctology Department of Hôpital Paris Saint-Joseph is delighted to invite you to its 9th Spring Coloproctology Day, to be held on Saturday, 22 May 2027.

Once again, this morning meeting will provide an opportunity to review recent developments in our specialty, discuss practical clinical situations, and share our experience of medical and surgical coloproctology as we practise it every day.

The enthusiasm and participation of everyone involved have greatly contributed to the success of previous events.

We very much hope to welcome even more of you to this new meeting, which will once again be marked by lively discussion, friendly exchanges and good spirits.

We look forward to seeing you soon!

The medical-surgical proctology team
at Paris Saint-Joseph Hospital

Programme

Chairs: Drs Mathilde Wisniewski, Leila Abbes and Eric Safa-Far

9:00 am	Introduction	Dr Vincent de Parades *Paris Saint-Joseph*
